Dear Joe Smith:

We are pleased to advise you that the above-referenced program has been approved for legal specialist educational credit in **Workers' Compensation** and subfield credit in **MCLE** for the number of hours indicated above under section 7.0 of the Rules Governing the State Bar of California Program for Certifying Legal Specialists ("Rules"). The program is also approved for the same number of hours of general MCLE credit, so long as you agree to comply with the requirements of Title 3, Division 5, Chapter 1, Rule 3.602 of the Rules of the State Bar of California.

Your program will now be listed in the Roster of Approved Educational Programs for **Workers' Compensation** and **MCLE**.

If, during the past two years, you sponsored four separate courses that have been approved for legal specialization credit in the same area of law, you may qualify for Multiple Activity Provider (MAP) status in that area of law. MAP status would allow your organization to provide an unlimited number of qualifying courses over a multi-year period in the approved area of law for a single fee and with a single application. Please contact our office if you are interested in learning more.

On behalf of the California Board of Legal Specialization, we extend appreciation for your contribution to the educational component of the program and wish you every success in providing quality education for certified legal specialists and all attorneys.

Sincerely,

THE DEPARTMENT OF LEGAL SPECIALIZATION, OFFICE OF ADMISSIONS
